## Proposed Legislation That Could Affect Your Utilities

The McPherson Board of Public Utilities was alerted that a proposed bill affecting customer utility charges is gaining some traction. The Education Utility Fee is a proposed bill, which if it is passed, would raise residential customer utility bills by material amount (for residential customers approximately 10% on water and approximately 4% on electric).

A Kansas Senate's majority leader is suggesting that the state impose an extra fee on utility bills to provide new dollars for public schools.

A proposal has been drafted to charge residential customers \$3 a month on each of their water, electric and natural gas bills, in addition to seeking a \$10 per month charge for businesses. It has not been determined as to how much money the plan would raise.

House and Senate budget committees had preliminary discussions on budget issues before lawmakers return from an annual spring break. Some lawmakers oppose increasing consumers' utility bills.

Kansas faces projected budget shortfalls totaling \$889 million through June 2019 and the state Supreme Court has ruled that education funding is inadequate.

If you have concerns about this particular bill proposal, please reach out to your local legislators:

**25TH ANNUAL LETTER CARRIERS "STAMPOUT HUNGER" FOOD DRIVE**

May 13th marked the 25th anniversary of local postal carriers helping the community with their annual Stamp

## From the United Way of McPherson County

Out Hunger food drive to benefit the McPherson County Food Bank. While there are many worthwhile causes in our community, hunger affects every aspect of a person's life. I believe most of us really have no idea what it's like to go hungry. It is especially hard to think of our youth going without food to nourish them. Last year was my first time assisting with gathering volunteers, marketing the food

drive and helping to pick up food. To witness firsthand how so many gave what they could to help ensure no one goes unfed was truly humbling. Last year nearly 10,000 pounds of food was gathered. As I write this, I am excited for the event, knowing that the McPherson community will step up once again to help ensure there will be no empty stomachs in our community.

*Thank you!*

### Welcome to McPherson!

One of the many services that the Chamber provides the community is the "Welcome to McPherson" gift bag for new residents. We invite anyone new to McPherson to stop by the Chamber office at 306 N. Main to pick up your gift bag.

The Welcome bags include discount coupons, pens, notepads, brochures, and other valuable information all packed into a reusable shopping bag. The Welcome bags are provided by Chamber members to introduce new residents to their business and share about the services and products they provide.

If you are a Chamber member and would like to provide items to be included in the Welcome bags you can drop them off at the Chamber office anytime. This is an ongoing FREE benefit to being a Chamber member.

Be the first to introduce yourself to a new resident – think about all the services and products a new resident would be seeking out –salon/barber, dentist, doctor, chiropractor, podiatrist, veterinarian, insurance agent, fitness center, pharmacy, bank, internet service, telephone, cable, real estate agent, accountant, the list goes on and on.

### From the McPherson Chamber of Commerce

**Jennifer Burch**  
Executive Director

I'm betting that the pioneer organizers of the McPherson County All Schools Day would have never dreamed it would still be going on 104 years later.

This event is something our county and community are very proud of, and it is demonstrated by the multitude of volunteers it takes to pull it off every year. There is so many hours and hours of volunteer work that takes place not only behind the scenes in initial planning and organizing, but also the hours and money invested by the parade participants – the floats, bands and other parade entries. When it gets right down to it, the McPherson County All Schools Day is a well oiled machine. I want to recognize the committee for all their work

and their dedication. I know after the 2nd Friday of May, they are all relieved that it is over, but planning already starts for the next one. Not only is the committee to be commended, but the City of McPherson and McPherson County departments and employees, as well as the businesses that support All School Day. It takes everyone pulling together, giving a little of their time and resources to pull this huge party together. McPherson, I am very proud of you and for those experiencing your first All Schools Day . . . . Welcome to McPherson!
