## From the McPherson Chamber of Commerce

**Jennifer Burch**  
Executive Director

I continue to read the past minutes of the Chamber and I am very proud of the trail of success that the McPherson Chamber of Commerce has contributed to McPherson and the surrounding area. If the Chamber wasn't leading, they were at the table in every aspect, in the planning and implementation of new and exciting ventures. I find the history so very interesting especially recognizing the impact of the organization. It is my hope someday to get the Chamber's story published. I believe it is worth a read.

**1951**  
■ Plans for the official opening of the new addition at the NCRA Refinery  
■ Discussion has been made regarding hiring a full time person dedicated to serving the industry sector. It was doubtful this would happen because of limited

funds available.  
■ Worked on recruiting Forster Chemical Co., Chlorine Company to locate to McPherson.  
■ Funds were allocated for the future 4H Club building site.  
■ A resolution was signed that the Chamber of Commerce endorse the proposed purchase of Janssen Airport by the City for use as a Municipal Airport.  
■ A motion was passed to increase the Chamber's contribution from \$25 to \$50 to fund the Citywide Halloween Party.  
■ An update on the work being done to get a firm to locate here that manufactures car jacks.

■ A report on the War Memorial project was given.  
■ Discussion took place on the part McPherson would play in housing and entertaining the military personnel of the Smokey Hill Air Base  
■ Received a "doubtful" response from the Air Academy  
■ A motion was made that we hire a second girl in the office and segregate the duties of the Chamber and the Credit Bureau. It was suggested that this girl be paid by both organizations. (*I found this extremely entertaining to read - a true sign of the times*)

**1953**  
■ A conversation took place with Kansas Jack Inc. - the proposal was to construct a building specifically for their needs.  
■ A Mens Membership Stag is planned, each member is to invite a guest - it was agreed that this was ok.  
■ A report was made on the progress of getting Kansas Jack here in McPherson - finding a location for their factory and office.  
■ The Chief Chemist of the General Tire and Rubber Company came to visit with Chamber and two refineries regarding their output of ethylene, butylene, and propylene.  
■ Voted to recommend to state legislature in favor of state appropriation for erecting tv stations at Kansas University and Kansas State.  
■ Discussion on the possibility of organizing a small local company for the manufacturing of individual cell storage batteries.  
■ It was reported on the filled housing condition and there are additional new people moving to town for jobs the Smoky Hill Airbase had notified the Chamber that they were also sending men to McPherson for housing.  
■ Received approval from the State of Kansas in the change of the fiscal year of operation for the Chamber to September - August.

The Chamber Women's Event Committee have approved Boston as the 2018 destination scheduled for August 23-27. As always, Cindy Krehbiel of **McPherson Travel** has planned a quality itinerary that includes entrepreneurship and innovation along with large city experiences. We didn't forget to include networking – building business relationships and of course the fun of meeting new people.

A few of the highlights include: Roundtrip airport transfers (McPherson to **Wichita Airport**) by deluxe motor coach; group evening dinner; Accommodations in the mecca of Boston at the Marriott Long Wharf Hotel along the waterfront; private city tour; Freedom Trail; first group ever to tour the 55,000 sq. foot headquarters of the America's Test Kitchen and performance of Shear Madness. There will be many, many more options for your free time – one especially is the "Off the Eaten Path" tours – stems from a young woman whose lifelong passion for food and her love of the North End neighborhood brought her to start her food tour business.

For a more detailed trip information, go to [www.mcphersonchamber.org](http://www.mcphersonchamber.org) or call the Chamber at 620-241-3303 we will be glad to email you or mail you the info.

### DOWN TO THE WIRE

It happens most every year. During the United Way campaign, people generously pledge their support for the coming year – at work through payroll deduction, writing a check, giving cash. Retirees throughout the county send us gifts. Then, as our deadline of January 31 approaches, things get quiet. And that's where we are now. We have crossed the \$200,000 mark on our way to our \$250,000 goal. Frankly, this is where we have gotten stuck the past few years. But we are optimistic for a strong finish.

What makes United Way special is that we have dedicated volunteers who review the work of our funded agencies and programs each year, and determine the amount of funding each organization receives. It's an important part of our accountability to you, the donor. We are very blessed to have a great group of nonprofits in McPherson County providing basic needs, preparing youth for life, building self-reliance, and rebuilding lives.

My wife affectionately refers to this time of the year as "begging for dollars." I am not ashamed to ask on behalf of people who need the help. I have actually been on the receiving end, especially during a couple of long stretches of unemployment. After those humbling

times, my empathy for others has increased through the years.

Making the United Way goal helps position us to help thousands of people in McPherson County: Senior citizens; youth and adults with disabilities; the abused and neglected, just to name a few. Our partner agencies and programs provide hope for a lot of people. For many, it comes just in time.

This is my last appeal to you this season. You CAN Be a Local Hero. Visit our website [www.unitedwaymcpherson.org](http://www.unitedwaymcpherson.org) and make a contribution. Or send a check to P.O. Box 55, McPherson, or bring it by the office at 306 North Main. We're down to the wire. Let's do this. And thanks to all of you who have already given.
