

LEADERSHIP MCPHERSON

a professional development program of
the McPherson Chamber of Commerce

Leadership McPherson develops leaders by empowering all people, igniting their passions, and inspiring service.

LEADERSHIP MCPHERSON WILL....

DEVELOP EFFECTIVE LEADERSHIP, OPEN MINDS TO PERSPECTIVES THAT SURROUND ISSUES FACING OUR COMMUNITY, AND ENABLE PARTICIPANTS TO BECOME MORE VISIONARY LEADERS.

It has been an impactful program since 1982. Leadership McPherson Class participants will learn to recognize their talents, skills and strengths and discover new traits to celebrate and appreciate in others. The in-depth, educational program focuses on developing leadership competencies and giving participants the skills to move organizations and businesses forward.

In 2000 the Leadership Class curriculum began incorporating a class project to benefit the youth of McPherson County. Through the years, these class projects have touched many lives and continue to make a difference in our community.
